## **CHESTER WATER AUTHORITY ADDS ONLINE BILL PAYMENT OPTION**

**CHESTER, PA** – Chester Water Authority announced today the launch of an online payment option for its customers. In addition to traditional mail and phone billing systems, residents can now log on to [www.ChesterWater.com](http://www.ChesterWater.com) and make payments using credit cards, debit cards, and e-checks.

The new payment option comes with step-by-step instructions to ensure ease of use for customers. A prominent “Pay Bill Online” button appears on the Authority’s website and an example bill is provided so users know exactly where to find the information they need to make a payment.

“Paying bills online is becoming the norm and, while we still see folks paying by mail and by phone, we knew there was the need for an easier, more streamlined payment option for our customers,” said Cynthia F. Leitzell, Chair of the Chester Water Authority’s Board of Directors. “The new system is up and running and we’re encouraging residents to try it out. The payments are secure and everyone will be able to track their activity through confirmation emails.”

Customers are able to use Visa and MasterCard credit cards to make payments as well as debit cards with the MasterCard or Visa logo and electronic checks. Individual payments are limited to \$500 and a \$2.75 convenience fee is charged per transaction.

### **About the Chester Water Authority:**

The Chester Water Authority is a regional municipal water authority that provides service to more than 200,000 residents and business owners in western Delaware County, southern Chester County and the city of Chester. As a municipal authority, the CWA is able to provide water at customer rates that are lower than those of private utility companies. The CWA takes pride in the fact that it directs a high percentage of funds into its infrastructure for capital projects and proactive maintenance. That investment in water treatment and distribution infrastructure enables the CWA to deliver quality, service, and value to the community. For more information, please visit [www.chesterwater.com](http://www.chesterwater.com).
