CHESTER WATER AUTHORITY HYDRANT FLUSHING SCHEDULE FOR REMAINDER OF AUGUST 2018

Chester, PA – August 7, 2018: The Chester Water Authority (CWA) will continue conducting routine maintenance on our water distribution system during the month of August. CWA personnel will be flushing the water system by opening fire hydrants within our service territory. Please note that all hydrant flushing will be performed Sunday through Friday between the hours of 9:00 p.m. and 5:00 a.m. so as to provide minimal disruption to our valued customers. Please note that all personnel conducting this work will be in CWA uniforms and company marked vehicles.

Customers in the area where hydrant flushing is occurring may experience some temporary discoloration of their water during this time period. If you experience this, simply run your cold water for a couple of minutes and this should resolve the problem.

CWA will be flushing hydrants in the following municipalities:

Week of August 12th:	Pennsbury, East Marlborough, and New Garden Townships
Week of August 19th:	New Garden, New London, Franklin, Lower & Upper Oxford, and Penn Townships
Week of August 26th:	Penn, East Nottingham, and Upper Chichester Townships
