## Meet the 2017 Chester Water Authority Board

Because of the courageous unanimous vote that these nine (9) people made on May 18, 2017 rejecting Aqua's uninvited purchase offer, the 44,000 Ratepayers/Customers of the Chester Water Authority (CWA) have so far saved $90+ million dollars.**
AND the **savings continue to grow** every minute, of every hour, of every day.

**By not becoming Aqua customers** on May 18, 2017, the 44,000 CWA customers are currently paying an average of $138,467.00 Dollars per day **LESS** for their award-winning CWA water than Aqua customers pay for their Aqua water.

**CWA providing the highest quality water at the lowest possible price.**

**Help us keep it that way!**
