Chester County Commissioners

Re: Aqua America

Dear Commissioners,

We would like to express our opposition to the sale of CWA. Chester Water currently owns approximately 750 acres of open ground in Colerain Township including the Boat Landing on Spruce Grove Road.

If Aqua would buy and live up to their current standard of fencing off and closing public access this would have a traumatic effect on our community.

Our residents have enjoyed the use of the Boat Landing for many years and is one of the very few places of recreation our Township has.

Also, we would encourage you to fill your vacancy with a neutral party; not an Aqua affiliate which would certainly be a gross conflict of interest.

We thank you for your consideration in this very important matter.

Respectfully,

Walter L. Todd, Jr., Chairman

Scott E. Shoemaker, Vice-Chairman

Samuel R. Reinhart, Supervisors
